

Presents: Velocitech PMP/CAPM Prep Class by Andy Crowe

When: April 23-25, 2019
Where: Wichita State University
Rhatigan Student Center
1845 Fairmount St.
Wichita, KS 67260-0056

Which Certification is right for you?

Project Management Professional (PMP)®

The PMP recognizes demonstrated competence in leading and directing project teams. If you're an experienced project manager looking to solidify your skills, stand out to employers and maximize your earning potential, the PMP credential is the right choice for you.

<http://www.pmi.org/Certification/Project-Management-Professional-PMP.aspx>

Certified Associate in Project Management (CAPM)®

If you're a less experienced project practitioner looking to demonstrate your commitment to project management, improve your ability to manage larger projects and earn additional responsibility, and stand out to current/potential employers, the CAPM certification is right for you.
